1. INTRODUCTION

1.1 This policy has been developed to embed safer recruitment practices and procedures throughout Manchester Young Lives and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy complies with guidance outlined in *'Keeping Children Safe in Education (Sept 2016)'* and has been ratified by the Board of Trustees on **24/1/2019**

1.2 This policy reinforces the conduct outlined in the Government Office North West *'Guidance for Safer Working Practice for Adults who Work with Children and Young People'* as well as the organisation's whistle blowing policy all staff are expected to be familiar with. All successful candidates for paid employment or voluntary placements will be made aware of these documents.

1.3 This policy is an essential element in creating and maintaining a safe and supportive environment for all young people, staff and others within the Manchester young Lives and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- attracting the best possible candidates/volunteers to vacancies
- deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people

1.4 **Manchester Young Lives** is committed to using disciplinary procedures that deal effectively with those adults who fail to comply with MYL's safeguarding and child protection procedures and practices.

1.5 As an employer we are under a duty to refer any allegation of abuse against a member of staff to the Local Authority Designated Officer within one working day of the allegation being made. A referral will be made if a manager, teacher or member of staff (including volunteers) has:

- behaved in a way that has harmed a child, or may have harmed a child
- possibly committed a criminal offence against or related to a child
- behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children

1.6 As an employer we are under a duty to refer to the Disclosure and Barring Service (DBS), any member of staff who, following disciplinary proceedings, is dismissed because of misconduct towards a child or young person and we may refer any concerns we have before the completion of this process.

1.7 Deputy CEO will have responsibility to check for updated relevant information about staff and volunteers every 3 years. Manchester Young Lives will expect all staff and volunteers to register with the DBS Update Service. This will be a phased change from January 2014 for existing staff/volunteers, all new staff appointed will be required to register, the cost for this will be reimbursed by MYL.

Manchester Young Lives reserves the right to carry out a 'DBS Status Check' at more frequent intervals should there be concerns raised about an individual. These

additional checks will be carried out in line with DBS guidelines and only with the full knowledge of the individual concerned.

Policy Statement on the Recruitment of Ex-offenders

It is a requirement of the DBS Code of Practice that all Registered Bodies must treat Disclosure applicants who have a criminal record fairly and do not discriminate because of a conviction or other information revealed. It also obliges Registered Bodies to have a written policy on the recruitment of ex-offenders; a copy of which can be given to Disclosure applicants at the outset of the recruitment process.

To help Manchester Young Lives to meet this requirement the following policy statement has been produced.

This policy statement also forms part of the Manchester Young Lives Equal Opportunities policy.

Policy Statement

- As an organisation using the Disclosure and Barring Service (DBS) to assess applicants' suitability for positions of trust, Manchester Young Lives complies fully with the DBS Code of Practice and undertakes to treat all applicants for positions fairly.
- It undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of a conviction or other information revealed.
- Manchester Young Lives is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.
- We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.
- A Disclosure is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a Disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.
- Where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate, confidential cover, to a designated person within Manchester Young Lives and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.

- Unless the nature of the position allows Manchester Young Lives to ask questions about your entire criminal record, we only ask about 'unspent' convictions as defined in the Rehabilitation of Offenders Act 1974.
- We ensure that all those in Manchester Young Lives who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.
- At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position.
- Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
- We make every subject of a DBS Disclosure aware of the existence of the DBS Code of Practice and make a copy available on request.
- We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar you from working with Manchester Young Lives. This will depend upon the nature of the position and the circumstances and background to your offence.
